

February 23, 2017

Dear New Alaska ALA Business Partner:

On behalf of the Alaska Association of Legal Administrators (Alaska ALA), we would like to invite you to participate in our 2017 Business Partnership Program. We are gearing up for another great year in 2017 and look forward to partnering with you this year.

This is a great opportunity for marketing and networking with our members during our meetings and social events. This year we plan to host several events, including a kick-off VIP Ice Cream Social on April 11. Also returning this year is Alaska ALA's Fall Education Conference and Exhibit Hall. These events will provide many opportunities for your company to meet with our members.

The Association of Legal Administrators (www.alanet.org) is an international not-for-profit organization founded in 1971, with the Alaska chapter (www.alaskaala.org) receiving its charter in 1980. Alaska ALA currently has close to 30 members, representing decision-makers and managers in Alaska law firms, corporations and the Alaska Bar Association.

Why Would You Want to Be an Alaska ALA Business Partner?

These are some of the ways partnering with Alaska ALA provides mutual benefits for you and our members:

- Businesses that partner with Alaska ALA are our members' first choice when seeking products and services for their firms
- Chapter members depend upon Business Partners to share information and keep members informed about emerging trends in the legal community and its support industries
- Experience and trust grow from consistent, repeated contact with our Business Partners
- Your contribution will be recognized and appreciated in helping us fulfill our primary mission: providing high-quality, competency-based education to our members

We look forward to maintaining past relationships and building new ones in the eleventh year of our program.

What Partnering Options Are Available?

Alaska ALA has five partnership levels, offering progressive advertising, marketing, networking and relationship building benefits. This program offers the opportunity to select the contribution level that best correlates with your goals for marketing to the Alaska legal community. Included in this packet are a detailed listing of 2017 partnership opportunities and a registration form. The benefits of your contribution begin immediately and continue throughout the partnership year.

To participate in Alaska ALA's 2017 Business Partner program, complete and return the enclosed registration form with your check for your desired partnership level by

March 27th. Participation at the Denali and Platinum levels is limited and is determined by random drawing from businesses who submit their registration and payment on or before the **March 27th deadline.** In the event you do not receive your first choice, your registration will automatically be converted to the next available partnership level and any excess contribution refunded.

Thank you very much for supporting Alaska ALA. We are confident you will develop rewarding relationships with our members. Please contact us with any questions about the 2017 Alaska ALA Business Partner Program.

Sincerely,

Alaska Association of Legal Administrators, Inc.
